

Azadi Ka Amrit Mahostav (India @75) – CPRDPSSD Activities

Report on

Launch of national level ‘Capacity Building Program for on-boarding of Panchayati Raj Institutions (PRIs) on e-GramSwaraj and PFMS

15 – 19 March 2021

Venue: NIRDPR - NERC Campus, Khanapara, Guwahati, Assam

The Constitution envisages that Panchayats will function as institutions of local government and prepare plans and implement schemes for economic development and social justice. The Ministry of Panchayati Raj and State Governments are taking various steps to fulfil the requirements of constitutional mandates. With the emphasis on the e-Governance operations, Ministry of Panchayati Raj has put in place **e-Gram SWARAJ**, a work-based accounting system for Panchayats, for ensuring internal administrative efficiency and transparency. e-Gram SWARAJ (<https://egramswaraj.gov.in/>) is a unified tool for effective monitoring and evaluation of works taken up in the Panchayats, which was launched by Hon’ble Prime Minister on National Panchayati Raj Day, 24th April, 2020. The application improves reporting and tracking of Panchayat activities, providing a single interface for capturing Panchayat information.

Further, Ministry has put in place an Electronic-Fund Management System integrating e-Gram SWARAJ & PFMS (eGSPI). eGSPI is already mandated for utilization of Central Finance Commission funds by Panchayats. It has been decided that from 01st April 2021 onwards, all the MoPR schemes would be mandatorily on-boarded on eGSPI and only online transactions/ payments would be permitted across all the 3 tiers of the Panchayats. Therefore, an increased adoption and usage of eGSPI is anticipated, especially from North Eastern States who would be using the system for the first time. From 2021 onwards, it is envisaged the planning process of the Gram Panchayats would be evidence based, leveraging spatial planning. In this reference, Ministry has made available Gram Manchitra application, to supplement the Panchayat planning process. Gram Manchitra brings together the various Spatial / non-spatial datasets along with satellite imagery to visualise the planning requirements by the Panchayats. This would increase the quality of GP plans that are being prepared along with openness and accountability in the functioning of the GPs. Moreover, with the rollout of XV FC, from 2021-22 onwards, online audits of Panchayat accounts (through AuditOnline application) would be expanded to cover 100% of the Panchayats and all the schemes being handled by the Panchayats.

With the Ministry’s vision of ensuring Smart Governance in Panchayats, e-Gram SWARAJ would serve as the cornerstone for Computerization of Panchayat operations, leveraging BharatNet for internet connectivity; Operationalizing 100% Digital payments for all schemes & grants; and

Provisioning of Government Services online. In order to intensify the adoption of e-Gram SWARAJ by States, Ministry of Panchayati Raj has issued a detailed advisory to all States to compile the data from Panchayats and update the same in e-Gram SWARAJ portal by 31st March 2021.

It is essential to take up intensive capacity building and training of all Panchayat Functionaries and Elected Representatives, for effective roll out of e-Gram SWARAJ. The MoPR has requested National Institute of Rural Development & Panchayati Raj (NIRDPR) Hyderabad, to prepare an action plan for imparting training to State level Master Trainers and also to provide support to State Institute of Rural Development & Panchayati Raj (SIRDPRs) for conducting training for District & Block level Master Trainers and for the field trainings of the Panchayat Functionaries in a cascade mode.

Considering the above, NIRD&PR planned series of training programs to cover all States and UTs. The first 'Training cum Workshop on e-GramSwaraj Portal' was launched on 15th March 2021 at NIRDPR-NERC campus, Guwahati. Prof. R.M. Pant, Director, NIRDPR-NERC inaugurated the program on 15th March 2021. Total 78 Resource Persons from 7 North Eastern States participated and trained in this program.

Dr G. Narendra Kumar, IAS, Director General, NIRDPR participated in the valedictory session through video conferencing and interacted with participants.
