

## **NIRDPR inks pact with IPCA for skilling youth in high growth employment potential Pest management sector**

National Institute of Rural Development and Panchayati Raj and Indian Pest Control Association signed a memorandum of understanding (MoU) on Wednesday, 11th May on collaborative initiatives in the field of Pest Management Sector, particularly to standardize skill development for various job roles in the sector.

The MoU will pave the way for creating training materials and skill training centres based on industry expectations, organizing joint capacity development initiatives and training of trainers for the industry. This joint venture will lead to holistic development of skilling ecosystem and skilled manpower in the pest management sector through RPL, fresh skilling, reskilling and upskilling. Undertaking collaborative evidence based policy research will help to meet the industry requirements and the desired quality of training in line with International standards.

The MoU was signed by the Registrar of NIRD&PR Dr M Srikanth and President of IPCA, Mr Prakash Sasidharan in the presence of the Director General of NIRDPR, Dr G Narendra Kumar, IAS. The event was hosted by the DDU-GKY Resource Cell of NIRDPR and also attended by senior officials of NIRD&PR, DDU-GKY division and members of the IPCA, online and offline.

In his address at the MoU signing ceremony, Dr. G. Narendra Kumar, IAS, Director General of NIRDPR mentioned that the collaboration has already resulted in standardizing 8 job roles which are now approved by NCVET and made available on the National Qualification Register (NQR) portal. He urged the industry partners to further explore eco-friendly pest management methods and skilling personnel on the same which will provide an edge for the industry internationally. Industry could consider establishing a model skilling centre of excellence in pest management that will work as a hub for skilling in pest management and spell quality of international standards. He appreciated the efforts of the Pest management industry and IPCA for taking concerted efforts to standardize the training curriculum for various job roles in collaboration with NIRDPR.

Shri. Prakash Sasidharan mentioned that the collaboration is a win-win for the industry and rural youth. It is heartening that there is a demand for Pest control workers who are Indians, for example in countries like Saudi Arabia. The approach adopted by NIRDPR for training youth in the Training of Trainer programmes is having receptivity from rural youth and hence it is encouraging and IPCA will be committed to taking concerted efforts forward on a larger scale nationally and internationally.

Shri.K.V.Satyanarayana, Executive Director DDU-GKY Resource Cell informed that any skilling initiative to have a successful outcome, it has to have industry partnership. This helps training organisations cater to the market demands and standards expected by the industry. This can lead to employability and sustainable livelihood for youth in rural and urban India. The MoU between NIRDPR and IPCA would go a long way in making sustainable efforts to develop skilled youth and in constantly raising the bar for quality of skill training in the Pest Management sector in the country.

Dr M Srikanth, Registrar of NIRDPR

## उच्च विकास रोजगार क्षमता कीट प्रबंधन क्षेत्र में युवाओं को कुशल बनाने के लिए एनआईआरडीपीआर का आईपीसीए के साथ समझौता

राष्ट्रीय ग्रामीण विकास एवं पंचायती राज संस्थान और भारतीय कीट नियंत्रण संघ ने बुधवार, 11 मई को कीट प्रबंधन क्षेत्र, विशेषकर इस क्षेत्र में विभिन्न जॉब रोल्स के लिए कौशल विकास को मानकीकृत करने हेतु सहयोगात्मक पहल पर एक समझौता ज्ञापन (एमओयू) पर हस्ताक्षर किए।

समझौता ज्ञापन उद्योग की अपेक्षाओं के आधार पर प्रशिक्षण सामग्री और कौशल प्रशिक्षण देने, संयुक्त क्षमता विकास कार्य आयोजित करने और उद्योग के लिए प्रशिक्षकों के प्रशिक्षण (टीओटी) का मार्ग प्रशस्त करेगा। इस संयुक्त उद्यम से आरपीएल, नव कौशल, पुनः कौशल प्रदान करने और कौशल उत्थान के द्वारा कीट प्रबंधन क्षेत्र में कौशल पारिस्थितिकी और कुशल जनशक्ति का समग्र विकास होगा। सहयोगी साक्ष्य आधारित नीति अनुसंधान करने से उद्योग की आवश्यकताओं और अंतर्राष्ट्रीय मानकों के अनुरूप प्रशिक्षण की वांछित गुणवत्ता को पूरा करने में मदद मिलेगी।

समझौता ज्ञापन पर एनआईआरडीपीआर के रजिस्ट्रार डॉ.एम.श्रीकांत और आईपीसीए के अध्यक्ष श्री.प्रकाश शशिधरन ने एनआईआरडीपीआर के महानिदेशक डॉ.जी.नरेंद्र कुमार, आईएएस की उपस्थिति में हस्ताक्षर किए। इस कार्यक्रम की मेजबानी एनआईआरडीपीआर के डीडीयू-जीकेवाई रिसोर्स सेल द्वारा की गई थी और इसमें एनआईआरडीपीआर, डीडीयू-जीकेवाई डिवीजन के वरिष्ठ अधिकारी और आईपीसीए के सदस्यों ने ऑनलाइन और ऑफलाइन पर सम्मिलित हुए।

एमओयू हस्ताक्षर समारोह में अपने संबोधन में, डॉ.जी.नरेंद्र कुमार, आईएएस, महानिदेशक, एनआईआरडीपीआर ने उल्लेख किया कि सहयोग के परिणामस्वरूप 8 जॉब रोल्स का मानकीकरण हो चुका है जो अब एनसीवीईटी द्वारा अनुमोदित हैं और राष्ट्रीय योग्यता रजिस्टर (एनक्यूआर) पोर्टल पर उपलब्ध हैं। उन्होंने उद्योग भागीदारों से पर्यावरण-अनुकूल कीट प्रबंधन विधियों और कुशल कर्मियों का पता लगाने का आग्रह किया जो अंतरराष्ट्रीय स्तर पर उद्योग को बल देगा। उद्योग कीट प्रबंधन में उत्कृष्टता का एक मॉडल कौशल केंद्र स्थापित करने पर विचार कर सकता है जो कीट प्रबंधन और अंतरराष्ट्रीय मानकों की वर्तनी गुणवत्ता में कौशल के लिए एक केंद्र के रूप में काम करेगा। उन्होंने एनआईआरडीपीआर के सहयोग से विभिन्न जॉब रोल्स के लिए प्रशिक्षण पाठ्यक्रम को मानकीकृत करने में कीट प्रबंधन उद्योग और आईपीसीए द्वारा किए गए प्रयासों की सराहना की।

श्री प्रकाश शशिधरन ने कहा कि यह सहयोग उद्योग और ग्रामीण युवाओं के लिए फायदेमंद है। यह खुशी की बात है कि सऊदी अरब जैसे देशों में ऐसे कीट नियंत्रण कर्मियों की मांग है जो भारतीय हैं। प्रशिक्षकों का प्रशिक्षण कार्यक्रमों में युवाओं को प्रशिक्षण देने के लिए एनआईआरडीपीआर द्वारा अपनाए गए दृष्टिकोण में ग्रामीण युवाओं की ग्रहणशीलता है और इसलिए यह उत्साहजनक है और आईपीसीए राष्ट्रीय एवं अंतरराष्ट्रीय स्तर पर बड़े पैमाने पर ऐसे प्रयासों को आगे बढ़ाने के लिए प्रतिबद्ध होगा।

श्री के.वी.सत्यनारायण, कार्यकारी निदेशक डीडीयू-जीकेवाई संसाधन प्रकोष्ठ ने बताया कि किसी भी कौशल पहल के सफल परिणाम के लिए, उसके पास उद्योग भागीदारी होनी चाहिए। यह प्रशिक्षण संगठनों को बाजार की मांगों और उद्योग द्वारा अपेक्षित मानकों को पूरा करने में मदद करता है। इससे ग्रामीण और शहरी भारत में युवाओं के लिए रोजगार और स्थायी आजीविका का मार्ग प्रशस्त हो सकता है। एनआईआरडीपीआर और आईपीसीए के बीच समझौता ज्ञापन कुशल युवाओं को विकसित करने के सतत प्रयास और देश में कीट प्रबंधन क्षेत्र में कौशल प्रशिक्षण की गुणवत्ता के स्तर को लगातार बढ़ाने में एक लंबा रास्ता तय करेगा।

डॉ.एम.श्रीकांत, रजिस्ट्रार, एनआईआरडीपीआर

# NIRDPR, IPCA ink MoU to promote skills in pest management

HANS NEWS SERVICE  
RAJENDRANAGAR

THE National Institute of Rural Development and Panchayati Raj and Indian Pest Control Association (IPCA) signed a memorandum of understanding (MoU) on Wednesday to collaborate in pest management, particularly to standardise skill development for various job roles in the sector. The MoU will pave the way for creat-

ing training, besides establishing skill centres based on industry expectations, organising joint capacity development initiatives and training mentors for the industry.

The joint venture will lead to holistic development of the skilling ecosystem and skilled manpower in pest management through RPL, fresh skilling, re-skilling and up-skilling. Undertaking collaborative evidence-based policy research will help meet the industry requirements and the desired quality of training in line with international standards.

The MoU was signed by Dr M Srikanth, registrar, NIRD&PR and Prakash Sasidharan, president of IPCA. The event was hosted by DDU-GKY Resource Cell of NIRD&PR. Senior officials of NIRD&PR, DDU-GKY division and members of the IPCA, online and offline, attended.

Dr G Narendra Kumar said the collaboration has already resulted in standardising eight job roles which are now approved by NCVET and made available on the National Qualification Register (NQR) portal. He urged the industry partners to explore eco-friendly pest management methods. Skilling personnel on the same will provide an edge to the industry internationally. The industry could consider establishing a model skilling centre of excellence in pest

management that will work as a hub and spell quality of international standards.

He appreciated the efforts of the pest management industry and IPCA for taking concerted efforts to standardise the training curriculum for various job roles in collaboration with NIRDPR.

Prakash Sasidharan said the collaboration is a win-win for the industry and rural youth. "It is heartening that there is a demand for pest control workers who are Indians in countries like Saudi Arabia. The approach adopted by NIRDPR for training youth in the training of trainer programmes is having receptivity from rural youth. Hence it is

encouraging; IPCA will be committed to taking concerted efforts forward on a larger scale nationally and internationally.

K V Satyanarayana, executive director DDU-GKY Resource Cell, observed that any skilling initiative to have a successful outcome has to have industry partnership. This helps training organisations cater to market demands and standards expected by the industry. This can lead to employability and sustainable livelihood for youth in rural and urban areas.

The MoU would go a long way in making sustainable efforts to develop skilled youth and in constantly raising the bar for quality of skill training in the pest management.

# NIRD&PR INKS PACT WITH IPCA FOR SKILLING YOUTH IN PEST MANAGEMENT

Dr Srinivas Vooradi

Hyderabad, May 11: National Institute of Rural Development and Panchayati Raj (NIRD&PR) and Indian Pest Control Association (IPCA) signed a memorandum of understanding (MoU) on Wednesday on collaborative initiatives in the field of Pest Management to standardize skill development for various job roles in the sector.

The MoU was mutually signed by Registrar of NIRD&PR Dr M Srikanth and President of IPCA Prakash Sasidharan attended by senior officials of NIRD&PR, DDU-GKY division and members of the IPCA, online and offline.

Speaking on the occasion, Director General of NIRD&PR Dr G Narendra Kumar said that the MoU would pave the way for creating training materials and skill training

centres based on industry expectations, organizing joint capacity development initiatives and training of trainers for the industry. The joint venture will lead to holistic de-

velopment of the skilling ecosystem and skilled manpower in the pest management sector through RPL, fresh skilling, reskilling and upskilling, he added. "Undertaking col-

laborative evidence-based policy research will help to meet the industry requirements and the desired quality of training in line with International standards. The

collaboration has already resulted in standardizing eight job roles which are now approved by NCVET and made available on the National Qualification Register (NQR)

portal," remarked the Director General. Urging the industry partners to further explore eco-friendly pest management methods and skilling personnel on the same which will provide an edge for the industry internationally, he said that industry could consider establishing a model skilling centre of excellence in pest management that will work as a hub for skilling in pest management and spell quality of international standards and appreciated the efforts of the pest management industry and IPCA for taking concerted efforts to standardize the training curriculum for various job roles in collaboration with NIRD&PR. President of IPCA Prakash Sasidharan mentioned that the collaboration would be a win-win for the industry and rural youth. "It is heart-

ening that there is a demand for Pest control workers who are Indians, for example in countries like Saudi Arabia. The approach adopted by NIRD&PR for training youth in the Training of Trainer programmes is having receptivity from rural youth and hence it is encouraging and IPCA will be committed to taking concerted efforts forward on a larger scale nationally and internationally," he added.

Executive Director DDU-GKY Resource Cell KV Satyanarayana, informed that any skilling initiative to have a successful outcome, it had to have industry partnership and would help training organizations cater to the market demands and standards expected by the industry leading to employability and sustainable livelihood for youth in rural and urban India.
